

Student, Parent & Carer Guide

Mobile Access: eLearn/Blackboard

**HAMBLEDON
STATE SCHOOL**
To value, support and
champion every child.

Blackboard is a virtual learning environment and learning management system that will be used by Hambledon State School to help facilitate online learning.

1. Go to the relevant App Store (AppStore for iOS & Google Play for Android). Search for Blackboard and Download & Install.

2. Where the app requests you 'Type your school name' enter **Learning Place**, then select **Learning Place, DET Qld** and select **Web Login**.

3. Use your MIS username (e.g. jsmit1) and your password to complete the login.

Additional tutorials for the Blackboard platform are available on YouTube:
